About Deryl Winston

A Hammond sponsored concert artist since 2000, Deryl Winston performs and records for Hammond Suzuki, USA in churches and concert halls across the country. A most notable special concert was for Gospel singer and composer Andraé Crouch in celebration of his new star on the *Hollywood Walk of Fame* in 2004. In 2006 Deryl Winston and Andraé Crouch joined forces for a special series of surprise performances at the Southern Baptist National Convention. When not performing concerts, Deryl conducts Gospel music seminars throughout the West Coast and consults with churches on their organ needs as a representative for Hammond Central. Deryl's Gospel CD, *Deryl Winston, Live on the Hammond Organ – Can't Nobody Do Me Like Jesus*, has been enthusiastically received in the Christian community. His latest CD, *Let's Praise Him*, was released in March, 2007. Mr. Winston is an ordained minister and, between concerts and seminars, ministers through his music and the word of God. Deryl, his wife, Brenda, and their two children, Victoria and Deryl Jr. live in the San Diego area.
